Introduction

This booklet provides a list of Medicare Plus Blue PPO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Medicare Plus Blue PPO's formulary. If you have additional questions, please call our Member Services at 1-877-241-2583, 8 a.m. to 8 p.m. seven days a week. TTY users should call 1-800-579-0235. Or, visit www.bcbsm.com/medicare.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Medicare Plus Blue PPO. In most cases, your prescriptions are covered under Medicare Plus Blue PPO only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

Preferred pharmacies are pharmacies in our network in which our plan has negotiated lower cost sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.
